# About Nelly's Cakes

Nelly's journey began in The Netherlands, where she first developed her craft baking from home alongside her family.

Over two decades later, her work has evolved into an international portfolio of celebration cakes known for their design precision and refined taste.

With more than 17,500 creations delivered to clients across Europe and the Middle East, Nelly's Cakes has become a trusted name for those seeking cakes that feel as special as the occasion itself.
