We have reliable delivery options available to bring your cake directly to your wedding venue, so you can focus on other aspects of your special day without any worries.

THE NELLY'S CAKES EXPERIENCE

Your wedding cake journey begins with a private one-hour consultation with our experienced team. During this tasting experience, we'll explore your vision, preferred flavours, wedding style and design ideas together. From the smallest details to the overall concept, this allows us to understand your preferences and create a cake that feels beautifully aligned with your celebration.

Price Determination:

Our pricing is determined by taking into account the factors mentioned above, as well as the level of intricacy and labour involved in creating your dream wedding cake. Each cake is unique, and the price is tailored to your specific requirements. We offer transparent pricing and will provide you with a detailed quote after discussing your preferences and needs.

OUR STORY

More Than Two Decades of Craftsmanship

From Europe to Dubai

Every great cake begins with a story.

For more than two decades, Nelly has transformed her passion for cake design into a craft defined by creativity, precision and attention to detail. What began alongside her husband, Grigor, creating cakes for family and friends grew into a name trusted by couples across Europe and the UAE.

Today, Nelly's Cakes has found its home in Dubai, bringing that same experience and craftsmanship to a new generation of celebrations. Together, Nelly and Grigor continue to create bespoke wedding cakes where flavour, artistry and design come together.

“Our passion is to create not just a cake, but The Cake, a centrepiece made to be remembered.”
